

INSTALLING CLUB LILYPADS LIGHTROOM EXPORT PRESETS

Installing the Club Lilypad Export Presets is as Simple as Copy and Paste.
Before starting download and unzip the "Club Lilypad Export Presets" file.

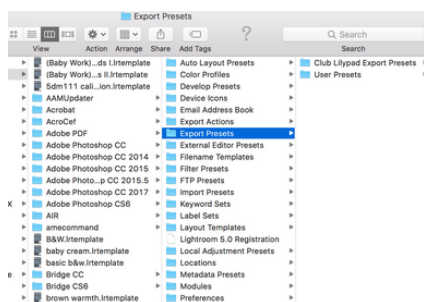

OPEN LIGHTROOM PREFERENCES

Open Lightroom and Navigate to Preferences
Lightroom/Preferences

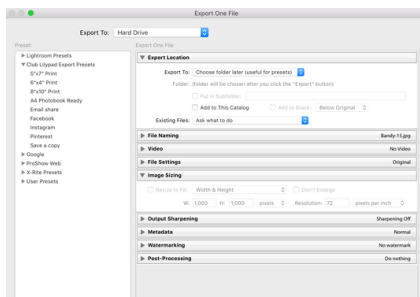

OPEN PRESETS FOLDER

Click on the "Show Lightroom Presets Folder."
File browser will then open showing the location of your
Lightroom Presets

COPE CLUB LILYPAD PRESETS

Copy Club Lilypad Presets folder into the Export Preset
folder.

START EXPORTING

The next time you click on export in Lightroom, our
presets will be ready and waiting :)
